Use the codes on this page to order your **SUREGRATE** product. If you are uncertain as to the best material or size for your project, please feel free to call us on **08 8347 0800** to discuss your requirements.

**SG 325 / 30 / 100 M P G**

**BAR SIZE - ABOVE**

In the three-number bar size shown above, the first two numbers refer to the height of the Load Bar - currently, the stock sizes are 25, 32, 40, 45, 50, 65, 75 and 100 (the last two only available in 6mm thickness).

The third number refers to the thickness of the Load Bar and can be :

- 3mm or 5mm up to and including 40mm
- 5mm from 40mm up to and including 65mm
- 6mm for 75mm or 100mm only
